
MENTORING SKILLS

A Life-Giving Process

Mentoring is an important part of the growth of any business. It helps younger employees learn faster and achieve better results, and instills a sense of trust and solidarity among employees.

Overview

This course discusses the importance of mentoring relationships, and how to establish effective ones that lead to growth. It focuses on the different styles of mentoring and includes a mentoring manual that the mentor can use in his or her mentoring sessions.

How this Course Works

This course goes through the mentoring process step-by-step. From preparing for the first meeting with the mentee all the way to the final outcome expected from the mentee.
