CLASH OF CLANS

Clash of the Clans is a one of a kind mixture of strategic planning, teamwork and communication that will put your skills to the ultimate test.

Create your own clan and rise through the ranks. Build your tent into an undefeatable fortress, design and customize your symbol and flag, train the mightiest of warriors and battle against rival clans until you reign supreme above all else.

You will be given a list of challenges that you have to complete to increase your clan's level. Some challenges will earn you tokens and others will require you to improve your camp, build, plant, cook and go to battle.
