DISC ASSESSMENT

How to discuss topics that matter the most.

The DISC analysis course allows participants to learn the different personalities they work and live with and how they can use these personality types to positively affect their daily lives.

Overview

Participants will have a deeper understanding of their own personality as well as that of the others around them. They will also learn how to approach different personalities to acquire better outcomes.

HOW THIS COURSE WORKS

The DISC® model provides a common language that people can use to better understand themselves and adapt to other personalities. This can be applied within a work team, a sales relationship, a leadership position, or other relationships.
