
DECISION MAKING

A decision is a judgement.

This course enables participants to make the toughest choices between two courses of action neither of which is probably more important than the other.

Overview

In any position or situation you will be asked to make decisions. This course gives you a perspective on how you make your decisions. It empowers, enhances, and refines your decision making process, helping you achieve a better outcome.

HOW THIS COURSE WORKS

This course revolves around the Ladder of Inference model, which allows you to understand your thinking process. It also addresses how one forms wrong conclusions and assumptions which can turn into a vicious cycle.
