Carnival

Teams race through carnival-style stations to earn tokens. Ideal for very large groups.

Every participant starts with 25 tokens, each worth one game at a carnival station. The aim is to win as many tickets as possible and swap them for gifts at the gift shop.

Trainer-led review

Carnival ends with a review led by our trainers. We agree the focus with you beforehand and build the review around it.

Teams talk through what happened, link it to how they work together day to day, and agree what they will do differently back at work.
