Sherlock

Teams help the world's best detective crack a complex criminal case.

When a criminal case leaves the police baffled, all eyes turn to Sherlock. Teams help him crack it, armed with a detective kit and sharp observation skills.

How it works

1

The case

Teams receive the case file and their detective kit.

2

Investigate

Teams examine the evidence with keen eyes and sharp observation skills.

3

Piece it together

Teams connect the clues to work out what happened and who did it.

4

Report to Sherlock

The first team to solve the case and report back to Sherlock wins.

What Sherlock develops in your team

In every Red Rock team build

- **Teamwork and collaboration**
- **Relationships and trust**
- **Communication**

Sherlock also develops

Problem solving
Teams analyse the evidence to crack a complex criminal case.

Strategic thinking
Teams decide which leads to chase and which to drop.

Decision making
Teams decide when they have enough evidence to name the culprit.

Trainer-led review

Sherlock ends with a review led by our trainers. We agree the focus with you beforehand and build the review around it.

Teams talk through what happened, link it to how they work together day to day, and agree what they will do differently back at work.
